

# OUR AMAZING BODY

Our Fingernails grow four times as fast as our toenails.

Babies are born with 300 bones adults have 206...

Our blood has the same amount of salt in it as the ocean does.

Many more boys are color blind than girls.

Children have more taste buds than adults.

An average human has 100000 hairs on the head.

A nail takes around 6 months to grow from base to the most tips.

A square of human skin has 32 million bacteria on it!

You spend one third of your lifetime sleeping. 20 Years in an average lifetime!

The human body is 75% water.

Bones are 4 times stronger than concrete.
